

# Cause of Man's Blindness.

A Parents sinned

B Man sinned

C Uncertainty (Stuff happens) or,  
the forces of nature are in control.

All Possibilities =  $A + B + C = 100\%$

C = Other including excessive sun staring, exploding vat  
of oil and blow to head from construction accident

Jesus says  $A = B = 0$  Therefore  $C = 100\%$
